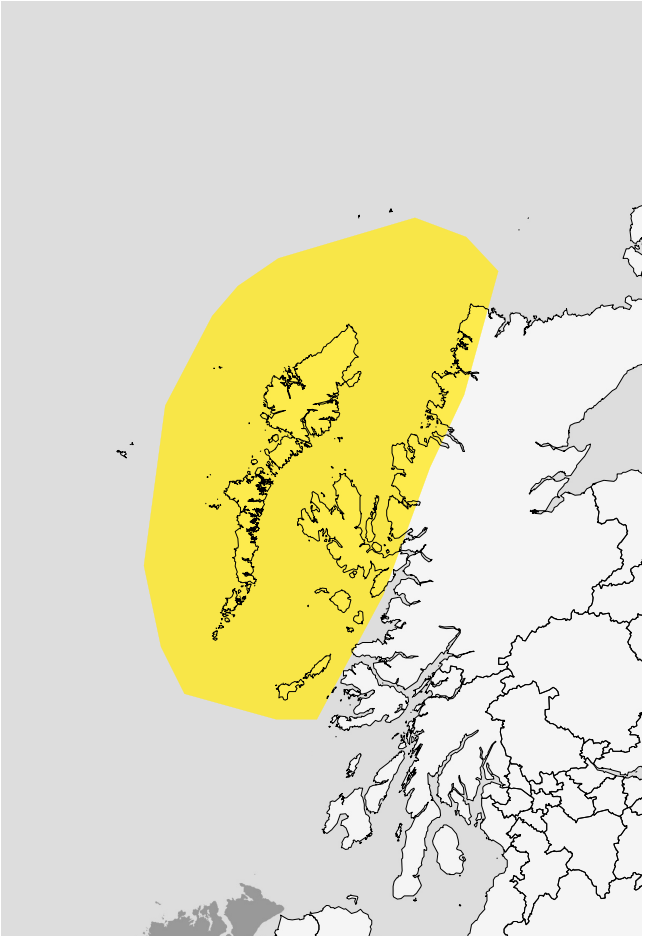
Yellow warning
Wind

Between
17:00 Sat 20 Feb 2021 and
03:00 Sun 21 Feb 2021



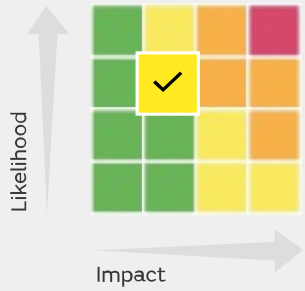
Very strong winds are expected this evening, probably leading to some travel disruption

What to expect

- Some delays to road, air and particularly ferry transport are likely
- Delays for high-sided vehicles on exposed routes and bridges likely, with possible closures.
- Some short term loss of power and other services is possible
- It's likely that some coastal routes and sea fronts will be affected by spray and/or large waves
- Some delays to road, rail, air and ferry transport are likely

Further details

Very strong southerly winds will become southwesterly and increase further across parts of the warning area this evening. Gusts of 60 to 65 mph seem likely, with gusts above 70 mph possible for an hour or two. After midnight gusts of 65mph are likely to continue for a time around exposed coasts.



Medium likelihood of low impacts
